Step Eight

"Made a list of all persons we had harmed, and became willing to make amends to them all."

Whenever our pencil falters, we can fortify and cheer ourselves by remembering what A.A. experience in this Step has meant to others. It is the beginning of the end of isolation from our fellows and from God.

Tradition Eight

"Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers."

Eighth Tradition Long Form : Alcoholics Anonymous should remain forever nonprofessional. We define professionalism as the occupation of counseling alcoholics for fees or hire. But we may employ alcoholics where they are going to perform those services for which we might otherwise have to engage non-alcoholic's. Such special services may be well recompensed. But our usual A.A. Twelfth Step work is never to be paid for.

Concept Eight

The Trustees are the principal planners and administrators of overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities.

Twelve Step Work

One might say that twelfth-stepping is selfless, but that brings a temptation to think that what I'm doing is helping someone less fortunate than I am. When Bill reached out to Dr. Bob, it was for the sake of his own sobriety. It didn't matter what Bob's reaction was. The Big Book cautions: "Remind the prospect that his recovery is not dependent upon people. It is dependent upon his relationship with God." {Vic M, Lake Monroe, FL, Grapevine July 1998 Vol. 55, NO. 2}

VOLUNTEERS NEEDED

The IG office has a few open slots for office Volunteers. Time slots are usually for four hours but at least two hours would be most helpful. Basic duties are answering the phone, assisting customers, counting inventory, light cleaning, filling orders etc. Must have at least six months of sobriety. Call the IG office at 904-399-8535
