Step Nine

“Made direct amends to such people wherever possible, except when to do so would injure them or others.”

Although these reparations take innumerable forms, there are some general principles which we find guiding. Reminding ourselves that we have decided to go to any lengths to find a spiritual experience, we ask that we be given strength and direction to do the right thing, no matter what the personal consequences may be. We may lose our position or reputation or face jail, but we are willing. We have to be. We must not shrink at anything.

Concept Nine

Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.

*2015 NEFL Intergroup Gratitude Banquet
Theme "Keep an Attitude of Gratitude"
Volunteers Needed*

*Our Next Banquet Planning Meeting is
Monday, Sept. 14th, at 6:00 PM*

What better way is there to show than by service work! We will need many volunteers to help with ticket sales, the cake auction, decorations, set up, cooking, keeping the buffet line full (tray schleppers), beverages, and clean up.

Remember, what we cannot do alone, we *can* do together!

We try very hard to keep the cost at a minimum by relying on our own North East Florida AA members to volunteer for most of the work that has to be done. We encourage you and the people you sponsor to give back to AA what AA has given to you by continued service work for the North East Florida area. "Many Hands Make Light The Work" Let's keep this banquet a continued venue of fellowship for us all.

Please attend the banquet committee planning meeting at 6:00 PM, Monday, Sept. 14, 2015 at the intergroup office at 3128 Beach Boulevard.

The Fall Banquet will be held Saturday, November 7th at the Ramallah Club on Parental Home Road. Tickets will be available at the next Intergroup Business Meeting on September 6th or at the Intergroup Office. Reserved tables that seat 10 are \$150.00 paid for in advance. SOME SUBMITTED SOBRIETY THOUGHTS

From Billy K., St. Augustine

Stepping into the beauty of life, One Day at a Time.

Life is life, on life's terms. Just because we get sober doesn't mean we get a pass on the rainy days ahead. They will come.

For us, sobriety is extraordinary. For others, it's just ordinary. Today, walking in the rain ain't so bad, especially when the storm is over. Matching calamity with serenity, living life on life's terms, and enjoying our new and wonderful journey.

Thank you AA

Shhhhh! Don't tell anybody, ok? Keep this on the low down. Most people don't know this. It's a secret. So, let's just keep quiet and our mouths shut.

The idea of being in a 12 step program and not doing the 12 steps is like being in a motorcycle club without having a bike. It's just pointless, senseless, ridiculous, and stupid. You'll never catch any wind.

This is just between us though. It's way too simple. Most meeting makers will overlook the simplicity in that. For more information, please locate a sponsor who has a sponsor, who has a Big Book, who knows about our simple secret.

We do the steps to get healthy.
We don't get healthy to do the steps.

THE MIDDLE

FROM STEPHEN S. >>>> St. Augustine

On one side of the spectrum is the deer In the headlights -- paralyzed by fear. On the other side, the bull in the China shop -- driven by fear. In the middle? God. Ever faithful, loving us to infinity. The middle is where the deer finds courage, the bull finds peace. Stay In the middle.

The Principal of Rotation: Anonymity in Service

For many of us in the fellowship, service work is an integral part of our individual programs. Service work takes many simple forms, from reading at meetings, to making coffee after meetings, to sponsorship. There are also more formal kinds of volunteer service work, such as speaking at treatment centers, becoming a group officer, or being involved in the behind the scenes running of the fellowship at the intergroup, district, or area level. In my last 8 years around the program my experience has brought me into many arenas of service. Today my service commitment involves taking meetings into an institution where the residents other-wise would have no access to our program.

One aspect of service work which is often overlooked, but suggested by our literature in order to incorporate the idea of anonymity in service is called the "principal of rotation". There is some written guidance on this idea contained in the AA pamphlet *The AA Group: Where it all begins*. On page 26 of that pamphlet it says:

The Principle of Rotation Traditionally, rotation ensures that group tasks, like nearly everything else in A.A., are passed around for all to share. Many groups have alternates to each trusted servant who can step into the service positions if needed. To step out of an A.A. office you love can be hard. If you have been doing a good job, if you honestly don't see anyone else around willing, qualified, or with the time to do it, and if your friends agree, it's especially tough. But it can be a real step forward in growth—a step into the humility that is, for some people, the spiritual essence of anonymity.

Among other things, anonymity in the Fellowship means that we forgo personal prestige for any A.A. work we do to help alcohol-alcoholics. And, in the spirit of Tradition Twelve, it ever reminds us "to place principles before personalities."

Many outgoing service position holders find it rewarding to take time to share their experience with the incoming person. Rotation helps to bring us spiritual rewards far more enduring than any fame. With no A.A. "status" at stake, we needn't compete for titles or praise—we

have complete freedom to serve as we are needed.

The idea is simple: People should rotate in and out of service in whatever capacity they serve, at the intergroup level, the group level or even simply chairing or speaking at meetings on a regular basis. It is easy to give in to the idea that "No one else will do it if I don't" or even more dangerous, "No one else will do it as well as me". The fact is that there are a multitude of people who are willing to provide service and they come with varying degrees of ability. To deny individuals opportunities to serve by holding on to a particular service task can be selfish and egotistical, even if it *appears* there are no other qualified candidates. The fellowship and service structure will run with or without any one particular individual. My first sponsor used to tell me that in the grand scheme of things my life is about as significant as a grain of sand on the beach. It was my first insight into the meaning of anonymity. In the Twelve Steps Illustrated it further defines Anonymity as; "Sacrificing personal ambition for the common good." It can be easy to get caught up in self when performing service work and that is where the principal of rotation comes into play. Lest our individual ego's become inflated with the notion that we are better than, we should always remember that we are simply drunks in AA; simply one of the many.

In the pamphlet "The Twelve Traditions Illustrated" it is written: Anonymity, as we observe it in AA, is at root a simple expression of humility. When we use the Twelve Steps to recover from alcoholism, we are *each* trying to achieve real humility, to put our self-respect on a solid basis of truth, rather than on fantasies about ourselves. When we use the Twelve Traditions to work together in AA, we are *all* trying to achieve humility: as individual members, by recognizing our true place in AA.

So for those in service to the fellowship please consider the spirit of rotation and how growth in humility can be attained by stepping aside and letting others take the reigns. Even our founder Bill Wilson, wrote of his own personal struggles with this ego inflating pitfall in *Pass It On*. We should remember our slogan "Let go and let God". Grapevine
September, 2015

Hi, I'm Cheryl Ann L, and it's my pleasure to serve you as your Intergroup Grapevine Committee Chairperson. August was a busy month! The 59th Florida State AA Convention took place and the Grapevine Committee hosted their first workshop on Saturday, August 15th. I hope some of you were able to attend both the Convention and the workshop. Our Committee plans to host another workshop in Jacksonville in October. The focus of this workshop will be two or three "Reading Meetings", with participants reading stories from the Grapevine Magazine followed by open discussion. This will allow our participants to get a feel for the personal stores the Grapevine presents monthly through their subscriptions. One of my favorite stories from a past Grapevine was submitted by an alcoholic from India who, despite her different religious beliefs, was able to reach her own personal understanding of a power greater than herself. Her desire to live the steps and principles found in our program of recovery yet honor her personal eastern religious beliefs were quite inspirational to me. As they say, "we go to any lengths" to stay sober.

I have received a request from our Archives Committee. They are searching for old Grapevine issues from 1944 through 2010. So if you are inside, cleaning out closets on a hot muggy Florida summer day, feel free to donate back issues to us to pass on to our Archives Committee or the Corrections Facility Committee. You can give them to our Intergroup Office or to your Intergroup Rep to carry to our monthly meetings. Every Issue Counts To An Alcoholic Who Needs Our Support!

Please consider a personal subscription to the Grapevine for yourself or a friend. Possibly if your group has more than a "prudent reserve" in funds, you may consider buying a few subscriptions for your group to share amongst members. And don't forget that the Grapevine Website also offers extensive achieves on AA's history and writings as well as other books and items not available on AA's Website.

To find information on monthly Grapevine subscriptions please go to aagrapevine.org or 1-800-631-6025.
