"When I first came to AA my only goal was to stop drinking in order to prevent the negative consequence alcohol was bringing into my life.

What I've gained is so much more! One thing I've gained is an appreciation for and understanding of the importance of being of service to others. Whether it be being of service to AA and its members, or to other people in my life; AA has taught me to be service minded. I did not know that helping others would bring so much satisfaction to my life. It's one of the many gifts of this program that I hadn't anticipated."

Thank you!

SOBRIETY—FOOD— & FUN What better way is there to show Gratitude than by service work? We will need many volunteers to help with the cake auction, decorations, set up, cooking, keeping the buffet line full (tray schleppers), beverages, and clean up.

***Remember, what we cannot do alone, we can do together!***

We try very hard to keep the cost at a minimum by relying on our own Northeast Florida AA members to volunteer for most of the work that has to be done. We encourage you and the people you sponsor to give back to AA what AA has given to you by continued service work for the North East Florida area. "Many Hands Make Light The Work" Let's keep this banquet a continued venue of fellowship for us all. Assisting at the Banquet is great service work for you or those you sponsor.

***Please attend the banquet committee planning meeting at 6:00 PM, Monday , Nov. 7th, 2016 at the intergroup office at 388 Beach Boulevard.***

Reserved tables that seat 10 are \$150.00 paid for in advance. Single tickets at \$15.00 each from your Intergroup rep or the IG office.

# GRATITUDE

By Scott W. , Utica, New York

- Today I am grateful...For smiles that start in the heart
- That everyday I a given a reprieve
- that all my old thoughts of my drinking days, those thoughts about alcohol and maintaining have been replaced with thoughts of recovery
- That in sobriety I have a place in life
- hat today I am not afraid to stand in my place, to voice what is my truth
- that more than likely today I will have enough
- for the sustaining power of God

We were not free. We were prisoners of our illness. What our illness wanted, we give it our dignity, our self-respect, even our families. Our prison walls were made of denial, false pride, and self-will run riot. Now we know that brick walls don't have to stop us. We don't have to bang our heads on them. Slowly, we're learning about freedom. We're learning that freedom. We're learning that freedom comes from within. It comes when we think clearly and make our own choices. It comes when we follow a better way of life. It comes when we take care of ourselves. It comes when we take responsibility. The key to freedom is in loving our Higher Power.
