# NEWS

## Cooperation with the Professional Community And Public Information Committee News

CPC/PI for northeast Florida area 14 attended an event that was held on May 5th, 2017 at World Golf Village for IPN which stands for Intervention Project for Nurses. This is a network of practicing nurses that are in recovery. The event itself was a huge success. The attendees of the event were nurses and other medical professionals. Alcoholics Anonymous was asked to staff the booth at one of the 24 exhibit tables and provide information to those that are themselves alcoholic and also come in close contact with the still suffering alcoholic. Many thanks go out to Gary R., for assisting me in this matter of staffing the booth. We were received very well and much gratitude was expressed for the fellowship being available to themselves and their patients. We handed out pamphlets, answered questions and also represented Alcoholics Anonymous with a smiling, sober face. Attached are some pictures of our exhibit table. Al-Anon also had a booth at this event, and the majority of the remaining 22 tables were addiction or recovery Treatment Center personnel. — Christopher G., Chairman, CPC/PI
