"Sponsor Your Doctor" A Success!

The "Sponsor Your Doctor" workshop was held August 13th, 2017 from 1 to 3 p.m. at Jaba Club. There were 34 attendees to hear the incredible story shared by our 5 professionals. Each of these professionals shared in detail their experience as it relates to addiction and alcoholism. Each one presented a different point of view and embraced the program of recovery of Alcoholics Anonymous to overcome addiction. Attendees were offered literature and it was suggested to have a conversation with their doctor about how to reach the still suffering alcoholic. Attendees were also presented with an instruction sheet on how to begin the conversation and what to say in order to help carry out our 5th tradition. Many thanks go out to Districts 1, 3, 4, 6, 24, 25 and 30 for sponsoring this event and JABA Club for hosting it. Many thanks also go out to Devin T. for handling the management of the event. Many thanks to Mark A. for closing the event.

TAKE THE SEVENTH TRADITION CHALLENGE

"Now that we are sober in A.A., the word 'support' has to do with sharing, people, self respect gratitude, and what we are privileged to give-not take-in material terms." We are self supporting through our own contributions...

Many of our branches are suffering from lack of support (GSO, Area, H&I, Central Office). How much does one drink cost? If it were not for Alcoholics Anonymous, we'd be drinking plenty!

CPC/PI EXHIBIT at STATE CONVENTION

The Northeast Florida Intergroup CPC/PI committee had the privilege of exhibiting at the 61st annual Florida State Convention that was held here in Jacksonville on July 27, 28, 29 & 30th. Many thanks go out to Carl G, Linda G., Devin T. and Jimmy B. for assisting in staffing the booth. There were many who were unaware of the CPC or PI activity in the service structure and it was a privilege to talk to them about it. A PowerPoint presentation was made that described it in detail and was running during the entire convention that answered most of the curiosity questions. This PowerPoint was created from F-175 and was edited to contain the information most relevant to education in the CPC and PI workbooks provided by GSO. This PowerPoint was sent to the Area CPC and PI servants, as well as GSO. Feel free to use it to educate anyone who may have interest. We desperately need participation in the extremely important service work. -Christopher G.

In a 1949 letter to an A.A. prison group, Bill W. wrote: "Every A.A. has been, in a sense, a prisoner. Each of us has walled himself out of society; each has known social stigma. The lot of you folks has been even more difficult: In your case, society has also built a wall around you. But there isn't any real essential difference, a fact that practically all A.A.'s now know. Therefore, when you members come into the world of A.A. on the outside, you can be sure that no one will care a fig that you have done time. What you are trying to be – not what you were – is all that counts with us."
