THE SYMBOL OF THE CIRCLE AND TRIANGLE is an ancient spiritual symbol meaning mind, body, and spirit together as one. In AA, this symbol represents the three parts of our program (recovery, unity, service) which are the solutions to the three-part disease of alcoholism (physical, mental and spiritual). The circle surrounding the triangle represents Alcoholics Anonymous as a whole. The equilateral triangle is the strongest construction structure known to us. Because all three sides are equal, the triangle represents the balance required among all 36 principles in order for us to stay sober.

"The circle stands for the whole world of A.A., and the triangle stands for A.A.'s Three Legacies of Recovery, Unity, and Service. Within our wonderful new world, we have found freedom from our fatal obsession. That we have chosen this particular symbol is perhaps no accident. The priests and seers of antiquity regarded the circle enclosing the triangle as a means of warding off spirits of evil, and A.A.'s circle and triangle of Recovery, Unity, and Service has certainly meant all of that to us and much more." (Bill W., Alcoholics Anonymous Comes of Age, Bill W.'s 1955 speech)

STEP TWELVE

“Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.”

With each passing day of our lives, may every one of us sense more deeply the inner meaning of A.A.'s simple prayer: **“God grant us the serenity to accept the things we cannot change, Courage to change the things we can, And the wisdom to know the difference.”**

TRADITION TWELVE

“Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.”

CONCEPT TWELVE

The Conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and, whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.
