It is so very important that groups notify the IG office of any meeting additions, changes or deletions. Should your address change, your meeting time changes, the type of meeting changes, or if you are adding or deleting a meeting, we need to know. Our most up to date meetings are online . We like to keep them as current as possible. The phone army volunteers have reports that some meeting changes have not been reported to us. Help us **BE RESPONSIBLE** for giving correct meeting information to our service area in Northeast Florida. Call the IG office at 904-399-8535 or E Mail us at neflintergroup@gmail.com.

I am an artist; my tool is a brush and I view the world in an artistic way. For example, the Mona Lisa, it is a magnificent work of art painted by a master artist. It must be kept in a museum for safe keeping. The temperature, humidity and even the lighting must be controlled. And because it is so precious it is guarded 24/7.

Mona Lisa (Leonardo da Vinci)

I view my recovery the same way. It's as fragile as the Mona Lisa. It is precious, magnificent and molded by the Master I choose to call God. I guard my recovery by using the tools in AA.

The most important AA tool I have is the phone. If I am having one of the frenzied days I can pick up my cell and instantly be connected to my network of men that will steer me back to my Mona Lisa.

7TH TRADITION CHALLENGE

"Now that we are sober in A.A., the word 'support' has to do with sharing, people, self-respect, gratitude, and what we are privileged to give - not take - in material terms."

We are self-supporting through our own contributions - Many of our branches are suffering from lack of support (GSO, Area, H&I, Central Office). How much does one drink cost? If it were not for Alcoholics Anonymous, we'd be drinking plenty!

Drop the cost of one drink into your home groups basket when it comes by . . . you can't afford not to!
