"Heard At Meetings"

"A.A. will work for people who believe in God. A.A. will work for people who don't believe in God. A.A. will not work for people who believe they are God."

"One drink may make you feel like a new person.... Then, the new person has to have a drink..."

"Laughter is a sure sign we have recovered from the past."

"To admit you are wrong today -- is simply saying you are wiser than yesterday."

"You may give gifts without caring -- But you can't care without giving."

"The practicing alcoholic has three kinds of behavior -- Compulsive... Impulsive... and Repulsive."

"When Easy does it -- Sometimes, it's only half done!"

"If you have not found the peace of mind you keep hearing about in A.A. -- Try taking the Steps!"

"God does what is Impossible -- After I've done what is Possible."

"An alcoholic is an individual who takes the most simple program -- and works on it until he has reduced it to it's most complicated form."

"Pain is the greastest gift -- God gives to the alcoholic."

"You could always count on me doing the one thing you didn't count on me doing!"

"What you seek -- You will not find -- Unless you share it!"

That First Step Is the Toughest

We admitted we were powerless over alcohol -- that our lives had become unmanageable - Reprinted with permission of A.A. World Services, Inc.

I can see it now. I clearly have a drinking problem.

PRINCIPLES BEHIND THE STEPS: STEP 1:

HOPE & ACCEPTANCE

Tradition 1:

Our Common Welfare Should come first, Personal recovery Depends on A. A. Unity Reprinted with permission of A.A. World Services, Inc

Each member of Alcoholics Anonymous is a but a small part of the great whole. A.A. must continue to live or most of us will surely die. Hence our common welfare must come first. But individual welfare follows close afterward

GSO SYSTEM UPDATES

As we have been communicating throughout this year, our offices in immersed in an exciting major project that will modernize all of our business systems, impacting nearly all of our business functions was we move them to a single platform. We are taking these measures with goal of providing increased efficiencies, security and the enhanced overall support of the A.A. community.

Testing of the new systems has been taking place in the office and will continue into next year. There will be changes affecting literature ordering and fulfillment, how contributions are processed, and how A.A. service records are maintained.

IMPORTANT: Our systems will be shut down during the change-over period from January 23 – February 4, 2019. Please note that during this transition period we will be unable to accept literature orders (via phone, fax, online web store, or any other means), online contributions, and any changes or updates to service records housed in FNV or elsewhere.

Ultimately, we are working together so that members interacting with G.S.O. through this new unified, updated systems will have a much-improved user experience.

Many thanks for your patience and support.

The Origin of our Serenity Prayer

As published in August/September 1992 BOX-459
 (Reprinted with permission)

For many years, long after the Serenity Prayer became attached to the very fabric of the Fellowship's life and thought, its exact origin, its actual author, have played a tantalizing game of hide and seek with researchers, both in and out of A.A. The facts of how it came to be used by A.A. a half century ago are much easier to pinpoint.

Early in 1942, writes Bill W., in A.A. Comes of Age, a New York member, Jack, brought to everyone's attention a caption in a routine New York Herald Tribune obituary that read:

(Attributed to Reinhold Niebuhr)

Everyone in A.A.'s burgeoning office on Manhattan's Vesey Street was struck by the power and wisdom contained in the prayer's thoughts. "Never had we seen so much A.A. in so few words," Bill writes. Someone suggested that the prayer be printed on a small, wallet-sized card, to be included in every piece of outgoing mail. Ruth Hock, the Fellowship's first (and nonalcoholic) secretary, contacted Henry S., a Washington D.C. member, and a professional printer, asking him what it would cost to order a bulk printing. Thus came the popularity of this prayer with our AA programs.

The Phone Army is in need of some new recruits! If you are interested in doing some easy service work for your AA community, this is a great opportunity to let that helping hand reach others!

Six months of sobriety required, a sponsor and working knowledge of AA to serve on this committee. You can now set an appointment for training Monday through Friday between 10:30 a.m. and 1:00 PM.
