Concept Six

On behalf of A.A. as a whole, our General Service Conference has the principal responsibility for the maintenance of our world services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Conference also recognizes that the chief initiative and the active responsibility in most of these matters should be exercised primarily by the Trustee members of the Conference when they act among themselves as the General Service Board of Alcoholics Anonymous.

It Can Happen to Anybody!

Men or Women

And any type of occupation

Some people try to draw lines around those professions or groups of men and women most likely to become alcoholic. But the fact that John Barleycorn is no respecter of place or position was brought out by a census taken at a hospital for alcoholics in an Eastern city recently.

Following are the occupations of the patients at that particular time:

- | | |
|-----------------------------|---------------------|
| Playwright | Novelist |
| Reporter | Night club operator |
| State Supreme Court Justice | Retired engineer |
| Millionaire manufacturer | Hotel operator |
| Chain restaurant owner | Banker |
| Doctor | Retired doctor |
| District judge | Chemist |
| Horse breeder | Housewife |
| Navy Commander's wife | Mayor |
| Fireman | Nurse |
| Pastor | Store Clerk |
