HISTORY OF INTERGROUP IN NORTHEAST FLORIDA Part I 1961 to 1998

Back in 1961 and 1962 AA in the Jacksonville area had grown to nine groups including Fernandina and Jacksonville Beach. With this size, problems of where to call for information and 12 Step assistance arose. It was also apparent that some form of what is now the "Where and When" and the "Add-A-Line" were needed, but no group has the facilities (money) to take on the task. Finally the need for a "public voice" to represent AA to the community was also vital.

AA's from different groups got together, outlined the problems and discussed solutions. The idea of a central agency seemed to be the best solution, However, a central agency seemed to be in conflict with the Twelve Traditions particularly when "outside" (free) printing services were needed to print the Add-A-Line and a very reduced rent for office space was obtained from a large office building downtown.

The problem was solved by the General Service Office in New York who told the committee that a central office was not an AA group in the strict sense of the Traditions and to go ahead as other cities had already done.

A steering Committee made up of senior members of the fellowship was formed and Intergroup started. Consultations with General Services and other areas already having Intergroups developed the premise that an Intergroup Office was a business pure and simple and not an AA group. And that a "Steering Committee" acted as the "group conscience" in determining the extent of outside contributions and other actions.

An early treasures report (February 1963) shows an income of \$203.78 and expenses of \$203.65 including \$1.40 for salary of the secretary, \$30 for rent (in a large downtown office building) and \$17.65 for the telephone.

Some of the early names associated with Intergroup are Bill L. and Emmy E. from San Marco, Wynn and Gordon J. from the Beaches, Doug D. from Friendship, Charlie B. Lane S. and Clarence D. from Riverside, Thad W. from Arlington, Marion M. from Westconnett, Russel T. from Fernandina Beach. Lee L. the first secretary, Helen R. who followed Lee, Hack I. one of the early treasurers from Ortega. Also Tom S., Phil H., Dayton T., Bill B, and Jonnie C. The first Chairman was Bill L. followed by Gordon J., John Mc., Bill B. and Jack I.

To this day (1998), some twenty-six years later, Intergroup continues to serve the needs of the groups, the community and the alcoholic, monitored by a Steering Committee acting as the group conscience.

Seventh Step "Humbly asked him to remove our short comings."

"...The whole emphasis of Step Seven is on humility. It is really saying to us that we now ought to be willing to try humility in seeking the removal of our other shortcomings just as we did when we admitted that we were powerless over alcohol, and came to believe that a Power greater than ourselves could restore us to sanity."

Seventh Tradition "Every AA group ought to be fully self-supporting, declining outside Contributions."

"Reprinted with permission from Twelve Steps and Twelve Traditions Copyright © Alcoholics Anonymous World Services, Inc."

Seventh Concept The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness.
