**More About Alcoholism...** Here are some of the methods we have tried: drinking beer only, limiting the number of drinks, never drinking alone, never drinking in the morning, drinking only at home, never having it in the house, never drinking during business hours, drinking only at parties, switching from scotch to brandy, drinking only natural wines, agreeing to resign if ever drunk on the job, taking a trip, not taking a trip, swearing off forever (with or without a solemn oath), taking more physical exercise, reading inspirational books, going to health farms and sanitariums, accepting voluntary commitment to asylums - we could increase the list ad infinitum.

**Step One:**

We admitted we were powerless over alcohol – that our lives had become unmanageable.

**Tradition One:**

Each member of Alcoholics Anonymous is but a small part of a great whole. A.A. must continue to live or most of us will surely die. Hence our common welfare comes first. But individual welfare follows close afterward.

*Reprinted from Twelve Steps and Twelve Traditions, page 192, with permission of A.A. World Services, Inc.*

**Concept One:**

Final responsibility and ultimate authority for A.A. world services should always reside in the collective conscience of our whole Fellowship.

3. Do you drink because you are shy with other people?
4. Is drinking affecting your reputation?
5. Have you ever felt remorse after drinking?
6. Have you got into financial difficulties as a result of drinking?
7. Do you turn to lower companions and an inferior environment when drinking?
8. Does your drinking make you careless of your family's welfare?
9. Has your ambition decreased since drinking?
10. Do you crave a drink at a definite time daily?
11. Do you want a drink the next morning?
12. Does drinking cause you to have difficulty sleeping?
13. Has your efficiency decreased since drinking?
14. Is drinking jeopardizing your job or business?

18. Has your physician ever treated you for drinking?
19. Do you drink to build up your self-confidence?
20. Have you ever been to a hospital or institution on account of drinking?

If you have answered YES to any of the questions, there is  
 a definite warning that you may be alcoholic.

 you are an alcoholic.

If you have answered YES to 3 or more, you are definitely
