Step 4: Made a searching and fearless moral inventory of ourselves.

Reprinted with permission from aa.org

Tradition 4 (Long Form): With respect to its own affairs, each A.A. group should be responsible to other authority than its own conscience. But when its plans concern the welfare of neighboring groups also, those groups ought to be consulted. And no group, regional committee, or individual should ever take any action that might greatly affect A.A. as a whole without conferring with the Trustees of the General Service Board. On such issues our common welfare is paramount.

Reprinted with permission from A.A. Service Manual/Twelve Concepts for World Service, Page 101

Concept 4: At all responsible levels, we ought to maintain a traditional "Right of Participation," allowing a voting representation in reasonable proportion to the responsibility that each must discharge.

Ten Things to do instead of finishing that inventory

1. Watch a rerun of a television show.
2. Call him/her...again.
3. Procrastinate. I was going to procrastinate but nah, I'll do it later.
4. Isolate. Isolation, its the cure for loneliness.
5. Gossip.
6. Get involved with sober house drama! Oh and be sure to tell yourself its to help out your sober housemates!
7. Facebook. WARNING: Facebooking will not keep you sober.
8. Go to the river/beach. Warning: The river/beach will not keep you sober either!
9. Plan out your next date with him/her even though he/she hasn't called u back. Probably because they were busy or still dating her/ him. Or its because of work...or they lost their cell phone....or maybe it's because of they're still dating her/him.
10. Call your sponsor and complain about something totally unrelated to step work.

The "Ripple Effect" Workshop

Saturday, July 16th, 2022, 1:00pm - 4:30pm

(Doors open at 12:30pm)

First Christian Church, 11924 San Jose Blvd., Jacksonville, FL 32223

Do we understand how our alcoholism and selfish actions "rippled" out to the world around us? By the time the fog clears from our brain, and we begin working the Steps with a Sponsor, our perception begins to change. We start to see the results of how we lived our lives and the impact it had on others. The reality of our alcoholism is, as the Big Book says on page 62, "that at some time in the past we have made decisions based on self which later placed us in a position to be hurt".

This is because of our unrelenting selfishness. These decisions then "rippled" out into our relationships, our job, and the world itself. When the consequences of those decisions started appearing, we chose to blame others, to resent others and to play the victim. But were not our troubles basically of our own making? In this workshop our Group will help you see the "ripples" and where we may have the opportunity to work a more thorough 10th Step.

From the Early History of AA in Jacksonville:

In April of 1941, Tom S. went to the local evening newspaper, *The Jacksonville Journal*, and spoke with the City Editor, telling him of the national AA movement and what they were doing at the local level. As a result of this contact with the *Jacksonville Journal* article appeared in the *Journal* on April 18th written by Lowell Clucas. At the end of the article Mr. Clucas stated that anyone interested may write him care of the *Jacksonville Journal* and he would pass the inquiry on to the local AA organization. One of the first letters came the next day from Hugh C. wishing to get in touch with the local AA group. Hugh C., Charlie P., and Bruce H. were the first people to answer the *Journal* article. Hugh committed suicide after eight years of sobriety; his suicide was not due to alcoholism but another personal matter. Charlie died with nineteen years of sobriety and Bruce dies with eighteen years.
