A DECLARATION OF UNITY

“This we owe to AA’s future: To place our common welfare first; to keep our fellowship united. For on A.A. unity depend our lives and the lives of those to come.”

The pamphlet encourages individuals in recovery to examine their attitudes and beliefs about money, to identify any negative patterns or behaviors related to money, and to develop a healthy and balanced approach to finances. It emphasizes the importance of being honest and responsible with money, avoiding financial dishonesty or manipulation, and seeking help and support when needed.

Overall, the pamphlet suggests that money and spirituality can coexist in a positive way, and that by cultivating a healthy relationship with money, individuals can enhance their spiritual growth and well-being.
