STEP 8 ~ Made a list of all persons we had harmed, and became willing to make amends to them all.

Reprinted from Twelve Steps and Twelve Traditions with permission of A.A. World Services, Inc.

TRADITION 8 ~ Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers. (Long Form) Alcoholics Anonymous should remain forever non-professional. We define professionalism as the occupation of counseling alcoholics for fees or hire. But we may employ alcoholics where they are going to perform those services for which we may otherwise have to engage nonalcoholics. Such special services may be well recompensed. But our usual A.A. "12th Step" work is never to be paid for.

CONCEPT 8 ~ The Trustees are the principal planners and administrators of overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities.

A QR code is the modern version of a barcode.

Try it, you might like it!

What is Bridge the Gap?

One of the most vulnerable times in the journey to a new, revitalized, sober life falls in the gap between the door of the facility you are leaving and the door to the AA fellowship. Hence Bridge the Gap (BTG). It is our experience that, even though we'd heard of AA in our facility, that jump from door A to door B could be confusing, or it could make us too fearful to act.

In order to help others bridge this gap — a challenge so many of us have had to face, too—AA members have volunteered to be temporary contacts and introduce newcomers to Alcoholics Anonymous.

If you think you want any part of what we have, fill out the Information Form by scanning the QR code. An AA volunteer will be in touch with you shortly!

Ready for 12th Step Work? Volunteers needed now.

Alcoholics and addicts leaving Treatment or Correctional Facilities are extremely vulnerable to a slip or a relapse.

Volunteer to be a temporary contact. For information call:

Why does "Stinking Thinking" remain, even though I am sober?

Understanding "Effect", "Affect" & "Infect" and finding contentment. Some of us remain "irritable, restless and discontent", even though we have worked the Steps. In this workshop, you will learn a new perspective on the thought process of recovery.
