“Carefully reading the first five (steps) proposals we ask if we have omitted anything, for we are building an arch through which we shall walk a free man at last. Is our work solid so far? Are the stones properly in place? Have we skimped on the cement put into the foundation? Have we tried to make mortar without sand?”

If we can answer to our satisfaction, we then look at *Step Six.*” (A.A., *Into Action*, p.75-76)

Step 6

“Were entirely ready to have God remove all these defects character.”

Step Six necessary to spiritual growth. The beginning of a lifetime job. Recognition of difference between striving for objective—and perfection. Why we must keep trying.

“Being ready” is all-important. Necessary of taking action. Delay is dangerous. Rebellion may be fatal. Point at which we abandon limited objectives and move toward

God’s will for us.

“We have emphasized willingness as being indispensable. Are we now ready to let God remove from us all the things which we have admitted are objectionable? Can He now take them all—every one? If we still cling to something we will not let go, we ask God to help us be willing.” (76:1)

Sixth Step Prayer

I am ready for Your help in removing from me the defects of character which I now realize are an obstacle to my recovery. Help me to continue being honest with myself and guide me toward spiritual and mental health.

Tradition 6

“An A.A. group ought never endorse, finance, or lend the name A.A. to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.”

Experience proved that we could not endorse any related enterprise, no matter how good. We could not be all things to all men. We saw that we could not lend the A.A. name to any activity.
